

HARISH MOGER

UI UX DESIGNER

SUMMARY

Currently designing digital experiences at Pixelmax Softech with over 1 year of experience in interaction and visual design, specializing in user-centric, intuitive, and visually appealing interfaces. Previously, a UI/UX Designer at Invensis Technology, focused on enhancing user engagement and accessibility.

WORK EXPERIENCE

Pixelmax Softech (July 2023 - July 2024)

- Lead the end-to-end application design process, from concept to execution, ensuring exceptional and customer-centric user experiences.
- Designed visually appealing and user-friendly interfaces for web and mobile applications.
- Created wireframes, prototypes, and high-fidelity designs using Figma, and similar tools.
- Collaborated with developers to ensure accurate implementation of design specifications.
- Ensured designs were responsive and optimized for various devices.
- Conducted user research and usability testing to guide design decisions.
- Stayed updated with the latest UI/UX trends and best practices.

Invensis Technology pvt.ltd (Dec 2023 - April 2024)

- Create wireframes, mockups, and interactive prototypes that effectively communicate design concepts.
- Collaborate closely with product managers, engineers, and other stakeholders to understand project goals and constraints.
- Ensure consistency and maintainability by following established design systems and guidelines. Contribute to the evolution and improvement of these systems.
- Prepare design assets and documentation for developers, ensuring that the final implementation aligns with the intended design.

EDUCATION

Diploma

Mechanical Engineering

RNS Rural Polytechnic College, Murdeshwar

67%

Ui Ux Design

Arena Animation Centre Jayanagar

1 Year Course

SKILLS

- Prototyping
- User Research
- Problem-Solving
